

Sherry Smith

Sherry Smith is an adept sailor and athlete. She is slotted for foredeck @ a strong, 115 pounds but is happy anywhere aboard. With the finish of the 2012 PacCup, Sherry passed the 10,000 ocean miles mark. Sherry grew up around boats in Westport, MA, her father a commercial lobster fisherman. She is a certified Triathlon Coach and competed at the elite level 1989 – 2008 including four Ironman races. Somewhere along the way, she switched her passion from carbon bikes to carbon boats. She lives aboard her Beneteau 423 and spends her free time on the water whenever possible.
